

FLOWER TEMPLATE

YOU WILL NEED TWO PETALS AND TWO MIDDLES FOR EACH FLOWER.

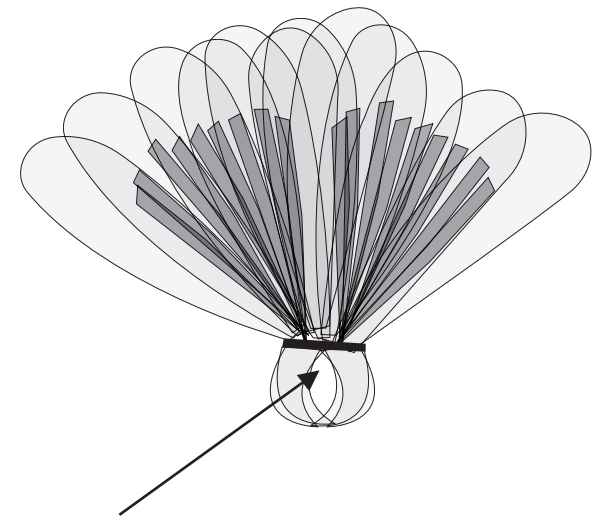

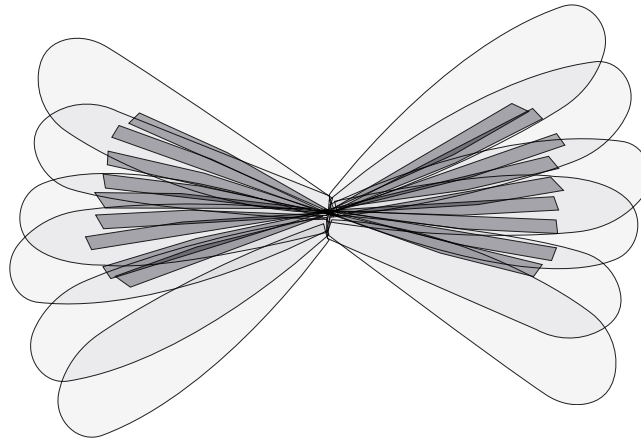

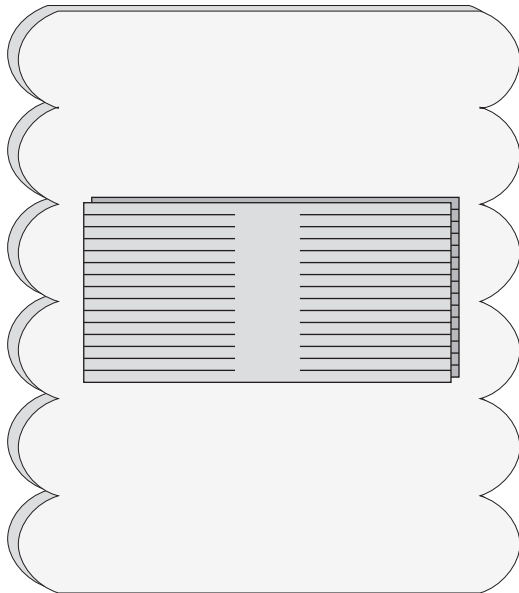

INSTRUCTIONS

1. Print the Flower Template onto card and cut it out.
2. Lay the template onto your tissue or crêpe paper and draw around it as a guide for cutting out your shapes.
3. You will need two lots of petals and two lots of middles to make a nice full flower.
4. Layer the two 'petals' pieces on top of each other, and place the two 'middles' pieces on top of that.
5. Pinch in the middle, and fold in half to create a flower shape.
6. Secure the end with a small clear elastic hair band.
7. You can now make as many flowers as you like in this way.

Try using different colours and petal sizes for a more natural look.

8. Use a craft needle to thread them onto a length of ribbon.

We have found 10 flowers are perfect for making a headband.

Open out the middle slightly
to thread on to the ribbon.
