Autumn/Winter 2026 Collection

Welcome to Autumn & Winter 2026 – a season full of magic, a little mischief and lots of charm! First up, our Halloween collection is packed with playful, vintage-inspired details and a feel-good spirit to make every moment a bit more fun.

For Christmas, we're turning up the cosy and the sparkle. Think classic reds and greens, timeless tartans and rich textures, all refreshed with a modern twist.

Plus, our beautifully hand-painted, folk-inspired designs bring festive characters and pretty foliage to life in the most delightful way.

Exciting news! We've teamed up with US-based artist and designer John Derian for a truly enchanting collaboration, plus a special partnership with New York City Ballet celebrating George Balanchine's *The Nutcracker*® in a showstopping collection of decorations and tableware.
