Welcome to Autumn & Winter 2026 – a season full of magic, a little mischief and lots of charm! First up, our Halloween collection is packed with playful, vintage-inspired details and a feel-good spirit to make every moment a bit more fun.

For the holidays, we're turning up the cozy and the sparkle. Think classic reds and greens, timeless plaids and rich textures, all refreshed with a modern twist.

Plus, our beautifully hand-painted, folk-inspired designs bring festive characters and pretty foliage to life in the most delightful way.

Exciting news! We've teamed up with US-based artist and designer John Derian for a truly enchanting collaboration, plus a special partnership with New York City Ballet celebrating George Balanchine's *The Nutcracker*® in a showstopping collection of decorations and tableware.

The Fall Collection

A photograph of two young girls sitting on a light-colored carpet, playing with wooden holiday-themed toys. The girl on the left has long, wavy brown hair and is wearing a bright pink, textured dress. She is looking down at a small wooden reindeer toy. The girl on the right has long, dark hair and is wearing a light pink, long-sleeved dress. She is smiling and looking towards the camera. Both girls are wearing festive party hats with red and white stripes. The girl on the left has a small, colorful pom-pom hair clip. The girl on the right has a large, blue tassel hair clip. In the background, there are red tinsel garlands and a gold star decoration. The overall atmosphere is festive and joyful.
