Taking Centre Stage

George Balanchine's The Nutcracker® is one of the most complex theatrical staged ballets in the company's repertory. Children of all ages from New York City and around the world fill the David H. Koch Theater to be captivated by Tchaikovsky's music, Balanchine's choreography, Karinska's sumptuous costumes and Rouben Ter-Arutunian's magical sets.

"When I first went to New York City Ballet to watch *The Nutcracker*, it was one of the most beautiful things I'd ever seen – the whole performance was like a magnificent painting. To work on this collaboration has been the greatest honour."

– *Meredithe Stuart-Smith, Founder and President of Meri Meri*

"We are thrilled to collaborate with Meri Meri on this beautiful collection that takes the artistry of our beloved production of *George Balanchine's The Nutcracker*® beyond the stage. Their commitment to honoring the finest details of New York City Ballet's production is evident in every aspect, and we hope it adds magic and whimsy in a new and exciting way to holiday traditions everywhere."

– *Katherine Brown, Executive Director of New York City Ballet.*
